

OUR LADY OF PERPETUAL HELP CATHOLIC SCHOOL INVITES YOU TO EXPERIENCE

SUMMER

This summer, students in TK/Kindergarten–4th grades will be enhancing their reading and mathematical skills through **STEM** (Science, Technology Engineering, Math, and Music) projects. Students will be encouraged to find a love for learning through **creativity and collaboration**.

JUNE 4-29TH
8AM-12PM

For Summer School details and registration,
please contact the school office at 661-327-7741 or visit www.olph1.org.
